# eCASE Platform v11.3.7 Release Notes

## Notice of Rights

Copyright © 2025, OPEXUS, LLC d/b/a OPEXUS. All rights reserved. No part of this publication may be reproduced, transmitted, transcribed, stored in a retrieval system, or translated into any language, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without prior written permission of the publisher: OPEXUS, LLC. For information on obtaining permission for reprints and excerpts, contact [info@opexustech.com](mailto:info@opexustech.com).

Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

## Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (OPEXUS, LLC.) on an “As Is” basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

## Notice of Trademarks

The publisher’s company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: OPEXUS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

## Non-Disclosure Statement

This document’s contents are confidential and proprietary to OPEXUS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from OPEXUS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

## Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of OPEXUS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

# 1 Product Enhancement

## 1.1 Automatic Fiscal Year Rollover

ID #67563

You no longer need to manually update the Fiscal Year within eCASE applications. On the *Fiscal Year Configuration* page in Settings, the *Fiscal Year* field will automatically change to the current fiscal year, *Fiscal Year Starts* will change to this fiscal year's start date, and *Fiscal Year Ends* will change to this fiscal year's end date.

The screenshot displays the eCASE application interface for the 'Fiscal Year Configuration' page. The header is green with the 'eCASE' logo. Below the header, a breadcrumb trail shows 'Home > Fiscal Year Configuration'. A toolbar contains 'Save' and 'Back' buttons. The main content area is titled 'Fiscal Year Information' and contains a form with the following fields:

Field	Value
Application:	Audit Management
Fiscal Year: *	2025
Fiscal Year Starts: *	10/1/2024
Fiscal Year Ends: *	09/30/2025

## 1.2 DevExpress

ID #96213

We've upgraded DevExpress to version 24.2, enabling arrow key navigation and JAWS screen reader compatibility within the Report toolbar.

## 2 Bug Fixes

We've addressed the following issues in eCASE v11.3.7:

ID	Description
30207	Fixed a bug preventing user accounts from successfully deleting when the session had ended and application access had been revoked.
83306, 84078	Made various updates to improve Section 508 compliance.
92428	Resolved an issue impacting users' ability to add and remove multi-lookup values.
95397	Addressed a bug where users without sensitive role permissions were able to view sensitive attachments on projects they were added to.
95399	Corrected an issue where the scroll bar would not appear on certain folder pages, limiting access to portions of the page.
