Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

## Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (AINS, LLC.) on an “As Is” basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

## Notice of Trademarks

The publisher’s company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: AINS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

## Non-Disclosure Statement

This document’s contents are confidential and proprietary to AINS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from AINS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

## Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of AINS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

# Bug Fixes

We've addressed the following issues identified by our customers. These fixes are outlined in the table below.

ID	Description
55706	Addressed a database error occurring during setup due to an invalid BuildNumber column name.
63035	The Discard Checkout option is now present by default in the Online Editor when the No Local Files option is turned on.
65305	Fixed a bug occurring when users tried to save changes on the Clearance Action page of an assignment. Clearance Actions now save as expected on standard, ad hoc, and attachment workflows.
68973	Resolved a runtime error occurring when attempting to purge attachments from the recycle bin when the folder has a repeating group set to Secondary Source.
70951	Restored the correct Attachment Status circle icons on the <i>Attachments</i> tab.
71071	Resolved an issue where incorrect number of documents would display in the Workflow Assign Task confirmation window. The window now displays the correct number of attachments on both the default <i>Attachments</i> tab and the Filing Structure <i>Attachments</i> tab.
71652	Addressed an error with the Technical Support link in the <i>Help</i> menu.
