Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (AINS, LLC.) on an "As Is" basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

Notice of Trademarks

The publisher's company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: AINS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

Non-Disclosure Statement

This document's contents are confidential and proprietary to AINS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from AINS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of AINS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

Product Enhancement

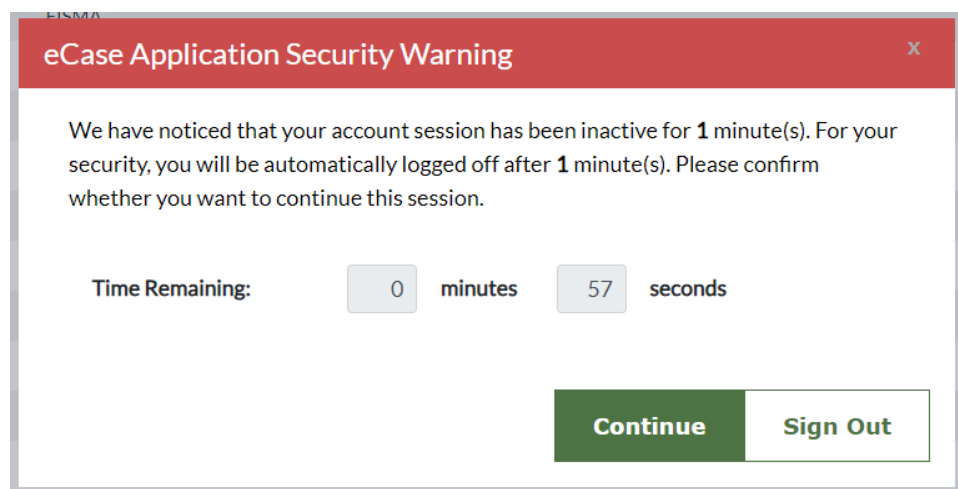

We've made the following enhancement for eCASE Platform version 11.3.3:

Session Timeout Support for Multiple Browser Windows

ID# 71798

We've expanded session timeout functionality. Session timeout is now supported when users are logged into eCASE on multiple tabs within the same window and multiple windows of the same browser type.

Note: Session timeout is not supported for multiple windows of different browser types.

Bug Fixes

We've addressed the following issues in this version of eCASE:

ID	Description
78507	System-wide improvements for Section 508 compliance.
79822	Added a system alert to notify users when a drag and drop file upload fails due to attachment size. Note: eCASE does not currently support uploads for files larger than 50 MB.
81350	Resolved an issue in which "Folder Date Filed Due" notifications were not sending.
