FOIAExpress v11.12.2.0 Release Notes

Notice of Rights

Copyright © 2025, OPEXUS, LLC d/b/a OPEXUS. All rights reserved. No part of this publication may be reproduced, transmitted, transcribed, stored in a retrieval system, or translated into any language, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without prior written permission of the publisher: OPEXUS, LLC. For information on obtaining permission for reprints and excerpts, contact info@opexustech.com.

Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (OPEXUS, LLC.) on an “As Is” basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

Notice of Trademarks

The publisher’s company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: OPEXUS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

Non-Disclosure Statement

This document’s contents are confidential and proprietary to OPEXUS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from OPEXUS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of OPEXUS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

Product Enhancements

1.1 New Request Types

ID# 99735

We've added two new request types for FOIAXpress eRecords connector code.

Bug Fixes

We've addressed the following bugs in this version of FOIAXpress:

ID	Description
579002	Addressed a bug found in multiple scheduler scenarios where the application was not installed, and the PAL Sync Job was not configured on the scheduler.
101044	Fixed a bug that caused localized request type names to display zeroes instead of the correct data.
102741	Newly created requests will now reuse deleted case numbers, i.e., the case numbers associated with deleted requests.
103558	Resolved a dashboard bug in which incorrect counts were displayed on drilled down graph views.
103806	Addressed an issue causing job failure while attempting to upload PDF image files with long names.
103852	Resolved a bug restricting RFD response messages.
103939	Fixed a bug restricting saving a request until the Due Date field is populated. Due Date should not be mandatory or linked to the initial assignment configuration.
104230	Fixed an issue that was preventing creation of a new Program Office when the Collaboration feature was disabled.
104235	Hide the option to create new roles in the Collaboration Portal.

Bug Fixes

ID	Description
104464	Addressed a bug that prevented new PAL requesters from signing in when SAML SSO was enabled.
