eCASE Audit v5.21.0 Release Notes

Notice of Rights

Copyright © 2025, OPEXUS, LLC d/b/a OPEXUS. All rights reserved. No part of this publication may be reproduced, transmitted, transcribed, stored in a retrieval system, or translated into any language, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without prior written permission of the publisher: OPEXUS, LLC. For information on obtaining permission for reprints and excerpts, contact info@opexustech.com.

Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (OPEXUS, LLC.) on an “As Is” basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

Notice of Trademarks

The publisher’s company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: OPEXUS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

Non-Disclosure Statement

This document’s contents are confidential and proprietary to OPEXUS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from OPEXUS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of OPEXUS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

Product Enhancements

1.1 Time Zone Correction

ID# 100978

Date and time information captured in Project tab fields now matches the time zone set in Preferences.

The screenshot shows a 'User Preference' dialog box with a 'General' tab. It contains three dropdown menus: 'Default case type search criteria' with '[Select Case Type]', 'Default folder search criteria' with '[Select Search Criteria]', and 'My time zone:*' with '(UTC-05:00) Eastern Time (US & Canada)'. The 'My time zone:*' row is highlighted with a red border.

1.2 Email Notifications for Procedure Import Jobs

ID# 101150

Users who initiate a Procedure Import job now receive an email when the job has completed.

Bug Fixes

ID	Description
99218	Resolved an issue preventing Cancel Project requests from getting assigned to the correct user.
99900	Fixed a bug impacting FYP rollover in which users could not deselect individual Work Topics after using the Select All checkbox.
99902	Addressed a bug impacting FYP rollover in which linked Attachments would not carry over properly.
99905	Fixed a bug impacting FYP rollover in which the status of Work Topics without Projects would not carry over properly.
100190	Addressed an issue with the Engagement Objective field requirement.
100525	Resolved an error message appearing after selecting Export as XML from the Actions toolbar on a Project.
101152	Fixed a bug causing PDF editing settings to remain accessible when a document was in Prepared/Escalated status.
101357	Resolved an issue impacting workflow preservation for Attachments in the Recycling Bin.
