# eCase Audit 5.0.0 Release Notes

## New Features

The following new features were added to eCase Audit 5.0.0:

ID	Feature	Description
22494	Folder Closure Alert Message Details	The folder closure message that appears when procedures, attachments, milestones, or findings are pending review now includes clarified language alerting that items are pending review. The pop-up also lists the items that are pending completion.
22456	Additional Filter Types	Users can now filter the Close Checklist Group, Finding, and Milestone Approval sections to narrow down the number of approvals displayed based on a selected criteria (e.g., filter by "Assigned To" or "Assigned By").
22462	Recommendation Type Terminology	If the Recommendation Type field terminology is updated, it now reflects in the Finding Summary tables that sum the total recommendations/costs across all findings and individual findings.
