eCASE Audit 5.16.0 Release Notes

Notice of Rights

Copyright © 2024, AINS, LLC d/b/a OPEXUS. All rights reserved. No part of this publication may be reproduced, transmitted, transcribed, stored in a retrieval system, or translated into any language, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without prior written permission of the publisher: AINS, LLC. For information on obtaining permission for reprints and excerpts, contact info@opexustech.com.

Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (AINS, LLC.) on an "As Is" basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

Notice of Trademarks

The publisher's company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: AINS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

Non-Disclosure Statement

This document's contents are confidential and proprietary to AINS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from AINS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of AINS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

Contents

- 1 Application Enhancements..... 4
 - 1.1 Finding Tab Header Terminology 4
 - 1.2 Project Terminology 4
 - 1.3 Institution-Based Contact Types..... 4
- 2 Bug Fixes 5

1 Application Enhancements

The following new features were added to the latest eCASE Audit release.

1.1 Finding Tab Header Terminology

ID# 57495

You can now modify the Audit Information label on the *Findings* tab. To change the text, navigate to **Configuration > Configuration Terminology**.

1.2 Project Terminology

ID# 73092

We've made terminology changes on the Project Setup and Project Summary pages. "Project" was replaced with "Engagement" and "Risk Factor" now reads "Risk Statement."

1.3 Institution-Based Contact Types

ID# 73453

We've also made a handful of changes to enhance Contact Types. These changes allow for institution-based Contact organization:

- Removed the *Agency Employee* Contact Type
- Added new Contact Types for institutions
- New permission options at the contact level

2 Bug Fixes

The following bug fixes were applied in the latest version of eCASE Audit:

ID	Description
79060	Audit Management users no longer need to map a risk statement when creating a project if the <i>Not Applicable</i> checkbox on the associated risk profile is selected.
79167	Resolved a bug where Milestone planned dates were not populating correctly if more than one Milestones had the same dependency.
79500	Addressed a bug in which the attachment type would not populate after using drag and drop functionality on the <i>Attachments</i> tab.
