# eCASE Audit 5.9.0 Release Notes

## New Features

The following new feature was added to the latest eCASE Audit release:

ID	Feature	Description
23835	Indirect Tasks on OIG Monthly Report	In the OIG Monthly Report, we've added the ability to select Indirect Tasks to run the report against, displaying results for the selected Indirect tasks.

## Bug Fixes

The following bug fixes were applied in the latest version of eCASE Audit:

ID	Description
27459	Fixed an issue where bulk approval or rejection of two or more Milestones did not trigger an email notification as expected. This action now triggers the appropriate email notifications.
31662	Fixed an error encountered when adding child documents from within a Procedure. This error only occurred on Procedures imported from a Project Template, and is now resolved.
