Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

## Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (OPEXUS, LLC.) on an “As Is” basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

## Notice of Trademarks

The publisher’s company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: OPEXUS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

## Non-Disclosure Statement

This document’s contents are confidential and proprietary to OPEXUS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from OPEXUS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

## Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of OPEXUS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

# Product Enhancements

## 1.1 LDAP Protocol

ID# 102861

Added LDAP protocol to eCASE in order to allow a customer to pull data from their active directory to eCASE.

## 1.2 External Case Number Fields

ID# 104125

A new Complaint tab is now available: External Case Numbers. On this tab, users can include external case number information via fields for *Category*, *External Case Number*, and additional *Details*. Entries on this tab can be added/removed/updated as needed.

## 1.3 New Organization Page Updates

ID# 104325

We've optimized field arrangement on the *New Organization* page and added configuration options. All fields are displayed in the UI by default, but Administrators can hide them via the *Contacts Field Configuration* tab in Configuration.

## 1.4 Contact Template Updates

ID# 104477, 104708

We've added additional Agency Employee and Individual Contact fields to the *Contacts Field Configuration* tab, giving Administrators the ability to customize which contact information is captured.

## 1.5 Reports Issued Report Change

*ID# 104893*

The “Reports Issued” premade report for the “Report of Investigation (Form 08B)” document type now excludes cases marked as Sensitive.

## Bug Fix

ID	Description
103022	Resolved a bug causing Civil Monetary Details data to be miscounted in a report.
