# eCase Investigations 4.10.0 Release Notes

## New Features

The following new features were added to eCase Investigations 4.10.0:

ID	Feature	Description
21698	Added NIBRS Tab for Investigations	Created a new tab for NIBRS under the Investigations case type. This tab provides a more robust form with 25+ data fields that can be configured and repurposed to the user's needs.
