eCase Investigations 5.0.0 Release Notes

Bug Fixes

The following bug fixes were applied in Investigations 5.0.0:

ID	Description
23271	Resolved an issue where the Default Folder Owner was not assigned on the Preliminary and Investigation case type folders. The user assigned as Default Folder Owner is now reflected upon creation of the case folder.
23415	Fixed a bug that caused DocuSign signature requests to remove the document approval from the Approvals tab.
23609	Corrected an issue where Investigation case type folders were not displaying properly in TimeXpress.
23842	Fixed an error that displayed when users changed the office in case folders created via the portal.
21195	Added a Report Period dropdown field on the Case Review tab. Users can repurpose and configure the choice list values as needed.
