## Notice of Rights

Copyright © 2024, OPEXUS, LLC d/b/a OPEXUS. All rights reserved. No part of this publication may be reproduced, transmitted, transcribed, stored in a retrieval system, or translated into any language, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without prior written permission of the publisher: OPEXUS, LLC. For information on obtaining permission for reprints and excerpts, contact [info@opexustech.com](mailto:info@opexustech.com).

Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

## Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (OPEXUS, LLC.) on an "As Is" basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

## Notice of Trademarks

The publisher's company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: OPEXUS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

## Non-Disclosure Statement

This document's contents are confidential and proprietary to OPEXUS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from OPEXUS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

## Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of OPEXUS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

# Product Enhancements

## Print Filtered Inventory & Evidence Reports

ID# 83343

We've added the option to print filtered Inventory Report and Evidence Report results. Once you've applied **(A)** filters to the Report, select **(B)** Print.

The screenshot shows the Evidence Report interface. At the top, there are buttons for 'Insert New Evidence', 'Hide Filter', and 'Clear Filters'. Below these is a 'Select Action' dropdown menu. To the right of the dropdown, there are two buttons: 'Submit' and 'Print'. The 'Print' button is highlighted with a red circle and labeled with a large red 'B'. Below the 'Select Action' dropdown, there are several filter options, including 'Search Site', 'Room #', 'Box #', 'Item Number', 'Category', 'Receiving Agent', 'Shelf/Cabinet', 'Shelf/Drawer', 'Evidence Current Status', 'Status', 'Warrant Number1', and 'Disposition Status'. The 'Evidence Current Status' dropdown is set to 'In transit'. A large red circle with a white 'A' is placed over the filter options area.

A new window will appear with the filtered Report. Use the print buttons highlighted below to (left-to-right) **Print**, **Print Page**, or **Export**.

The screenshot shows the Evidence Report window. At the top, there is a toolbar with several icons. The 'Print' icon (a printer) is highlighted with a red box. Below the toolbar, there is a table of evidence items. The table has columns for 'EVIDENCE ID', 'EVIDENCE NAME', 'EVIDENCE TYPE', 'EVIDENCE STATUS', 'EVIDENCE LOCATION', 'EVIDENCE DATE', 'EVIDENCE TIME', 'EVIDENCE USER', 'EVIDENCE COMMENTS', 'EVIDENCE ACTIONS', 'EVIDENCE STATUS', 'EVIDENCE LOCATION', 'EVIDENCE DATE', 'EVIDENCE TIME', 'EVIDENCE USER', 'EVIDENCE COMMENTS', 'EVIDENCE ACTIONS'. The table contains several rows of data. A red arrow points from the 'Print' button in the toolbar to the table.

## Evidence Field Configuration Updates

ID# 83994, 83998, 83999

We've added new fields to the *Evidence Field Configuration* tab in Configuration to enhance the *Create New Evidence Item* form.

- Room Number
- Warrant Number
- Bar Code
- Location Personnel (First Name, Last Name/Agency)
- Seizing Agent (First Name, Last Name/Agency)
- Seized From Owner/Other

These fields can be shown/hidden and made required in Configuration. We've also included the existing *Seized From (Name/Agency/Company/Address/Phone Number)* and *Item Description / Noticeable Damage* fields to Configuration so they can be enabled/disabled as needed.

## Bug Fixes

ID	Description
86005	Addressed an issue in which Preliminaries were not included in the Attorney General Report.
86675	The <i>Was Subject Agency Employee?</i> Field is now automatically set to Yes for new Agency Employee Index entries.
87648	Fixed a bug affecting date parameters for the Criminal Charges by Index Report.
87838	Resolved an issue preventing users from being able to open certain attachments.
89022	Addressed a runtime error occurring with folders converted prior to staff assignment being configured.
