# 1 About This Manual

Welcome to the Alternative Dispute Resolution (ADR) Neutral Portal User Guide. The Neutral Portal provides neutral party mediators access to necessary messages and case data to assist in processing ADRs. This manual provides details on how this portal works and actions available to you as a portal user.

## 1.1 In This Document

The following topics are discussed in this manual:

- Accessing the Portal
- Portal User Interface
- Case Tracking and Processing
- Event Creation and Tracking
- Using Attachments
- User Inbox and Sending Messages Using the Portal

## 1.2 Using This Manual

The following formatting conventions are used in this manual to highlight important information:

- *Italicized* text indicates a location, for example a particular *Folder*, *Tab*, or *Window*.
- **Bold** text indicates a specific user action, such as clicking a **button**.
- **Red** text is used in Notes to **bring attention to crucial information**

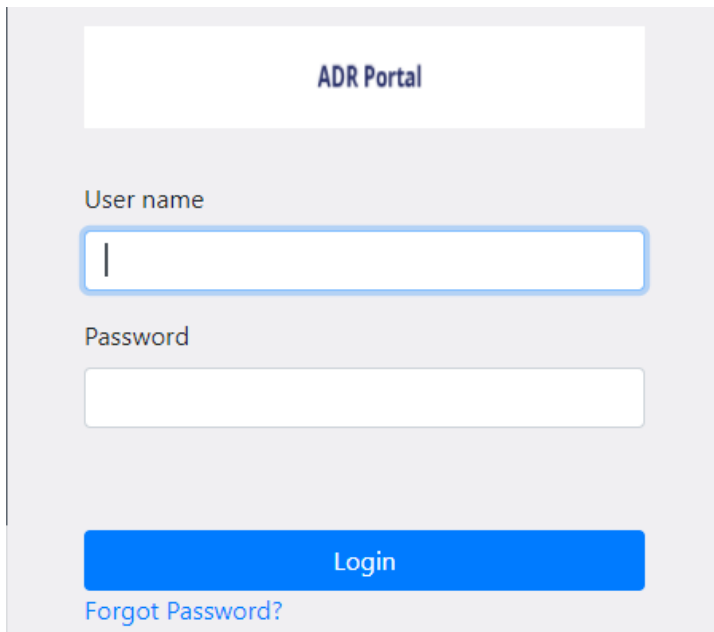

## 2 Getting Started

The following subsections provide instructions on accessing the Neutral Portal and beginning the workflow.

### 2.1 Accessing the Neutral Portal

When your account has been created, you will receive an email with Portal access information. An example log in screen is shown below:

The image shows a login interface for the ADR Portal. At the top, there is a white rectangular box containing the text "ADR Portal" in a dark blue font. Below this box, the text "User name" is displayed in a small, dark grey font. Underneath the label is a white text input field with a light blue border and a vertical cursor. Below the input field, the text "Password" is displayed in a small, dark grey font. Underneath the label is another white text input field with a light grey border. At the bottom of the form is a solid blue rectangular button with the word "Login" in white text. Below the button, the text "Forgot Password?" is displayed in a small, blue font.

To access the portal, provide your *User name* and *Password*, then click **Login**. After signing in, the dashboard appears as shown below.

The screenshot shows the eCASE ADR 3.0.0 Portal interface. At the top, there is a dark blue header with the eCASE logo and the text "\*\*ADR 3.0.0 Portal\*\*". Below the header is a light gray navigation bar with links for "Home" and "My Forms". The main content area is divided into two sections. On the left, under the heading "My Forms", there is a table with the following data:

Name	Status	Case Number	Case Status
William Crane	Assigned	2023014	Transferred to Neutral

On the right, there is a box titled "Unread Messages (1)" containing a notification: "Form processing notification" dated "6/12/2023 4:35:36 PM".

See the following *Portal User Interface* section for details.

## 2.2 Portal User Interface

An example of the portal user interface is shown below.

This annotated screenshot of the eCASE ADR 3.0.0 Portal interface highlights three key areas with red circular callouts labeled A, B, and C. Callout A points to the "Home" and "My Forms" navigation links in the top bar. Callout B points to the "My Forms" heading and the table below it. Callout C points to the "Unread Messages (1)" notification box on the right. The table data is identical to the one in the previous screenshot.

The main areas of the *Dashboard* are described in the following table.

Ref	Element	Description
A	Navigation Bar	Use these buttons to navigate between the <b>My Forms</b> page and the <b>Home</b> page/dashboard.
B	My Forms	All forms currently assigned to you are listed in the <i>My Forms</i> list. Select the <i>Name</i> of the form you'd like to open to view the form in the workspace. See the next section for more details.
C	Unread Messages	This widget displays notifications for Unread Messages and a link to access the full inbox.

## 2.3 My Forms

The *My Forms* list on your dashboard provides a list of forms assigned to you. An example *My Forms* list is shown below and described in the following table.

My Forms			
<b>A</b> Name	<b>B</b> Status	<b>C</b> Case Number	<b>D</b> Case Status
<a href="#">Randall Hamm</a>	Returned for Correction	2021045	Transferred to Neutral
<a href="#">Randall Hamm</a>	Assigned	2021049	Transferred to Neutral
<a href="#">Maya Smith</a>	Assigned	2021046	Transferred to Neutral
<a href="#">Maya Smith</a>	Assigned	2021048	Transferred to Neutral

Ref	Element	Description
A	Name	Name of the complainant listed on this case. Select a <b>Name</b> from this column to open the case for processing.

Ref	Element	Description
B	Status	Status of this assignment here in the portal. You can manually set this status based on actions taken on this case.
C	Case Number	Case number assigned to this case in the originating system, outside the portal.
D	Case Status	Status of this case as reported by the linked ADR system.

## 3 Workflow Case Tracking and Processing

The following subsections provide instruction on accessing assigned forms and moving through the case workflow.

### 3.1 Accessing Assigned Forms

The *Workflow Case Tracking and Processing* workspace is where you process cases you've received through the Portal. Access the Case Workspace from the *My Forms* list by clicking the *Name* associated with the form you'd like to open:

My Forms			
Name	Status	Case Number	Case Status
Randall Hamm	Returned for Correction	2021045	Transferred to Neutral
Randall Hamm	Assigned	2021049	Transferred to Neutral
Maya Smith	Assigned	2021046	Transferred to Neutral
Maya Smith	Assigned	2021048	Transferred to Neutral

The *Workflow Case Tracking and Processing* workspace opens, as shown below. See the next section for details on this user interface.

## 3.2 Workflow Case Tracking and Processing Workspace

After opening a form, the Workflow Case Tracking and Processing workspace appears, as shown in the example below.

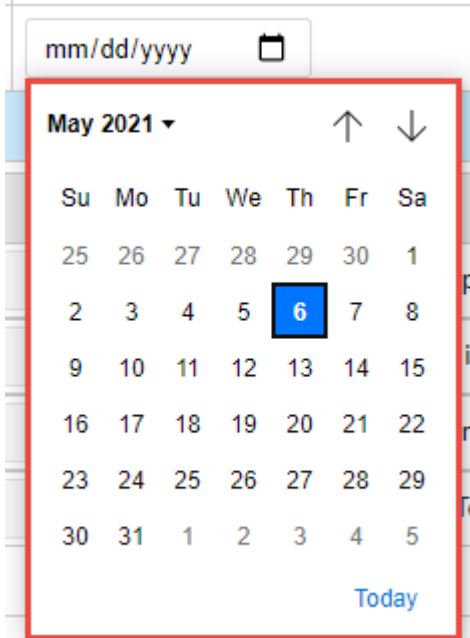

The screenshot shows the Workflow Case Tracking and Processing workspace. It features a top navigation bar (A) with 'My Forms' and 'Log out' buttons. Below this is an actions bar (B) containing 'Save', 'Case Concluded', 'Print', 'Messages', and 'Back' buttons. The main content area includes an 'Attachment Details' section (C) with a 'Select' button and two document links ('Sample.docx' and 'TEST.dotx'). Below this is a 'Complaint Information' section (D) with fields for Complainant, District, Scheduled Mediation Date, Organizational Office, and Geographic Office. The bottom section is 'Events' (E), which contains a table of events and an 'Add Event' button.

Event Type	Event Date	Event Note	Created Date
Review case	05/03/2021	Sample Review Case Event Note	05/04/2021
Conduct Mediation	05/04/2021	This is for documentation purposes	05/04/2021

The portal workspace is divided into the following subsections:

Ref	Element	Description
A	Navigation Bar	Use these buttons to navigate between the <b>My Forms</b> page and the <b>Home</b> page/dashboard.
B	Actions Bar	Options to <b>Save</b> the form, mark an assigned case as <b>Case Concluded</b> , access your inbox <b>Messages</b> , and go <b>Back</b> to the home page. Each of these actions is detailed in the following subsections.

Ref	Element	Description
C	Attachment Details	A list of previously uploaded attachments (labeled as <i>Mediator Documents</i> ) which you can click to view, and a <b>Select</b> button to upload additional attachments.
D	Complaint Information	<p>Details about the case, including the <i>Complainant</i>, <i>Organizational Office</i>, <i>District</i>, <i>Geographic Office</i>, and <i>Scheduled Mediation/Facilitation Date</i> (if required).</p> <p>Use the <b>Date Picker</b> to select a <i>Scheduled Mediation/Facilitation Date</i>:</p>  <p>Use the <b>Arrows</b> to change the month, or click the <b>Month YYYY</b> in the upper-left corner to select a month and year.</p>
E	Events	A list of actions logged on the case in the Portal. These can be added manually by clicking <b>Add Event</b> . See the next section for more details on adding events.

### 3.3 Add Event

The Events workspace is where you'll log activity on this case, such as scheduling mediation or conducting debriefs. To add an event:

1. Log in to the Neutral Portal and open the desired case folder. Navigate to the *Events* subsection and click **Add Event**.

Events			
Event Type	Event Date	Event Note	Created Date
Review case	05/03/2021	Sample Review Case Event Note	05/04/2021
Conduct Mediation	05/04/2021	This is for documentation purposes	05/04/2021
<div> <div>Add Event</div> </div>			

2. The Portal refreshes to display a blank Event entry in the *Event* workspace. Select the **Event Type** from the drop-down list.

<div> <div></div> <div> Schedule Mediation  Cancel Mediation  Reschedule Mediation  Schedule debrief  Conduct debrief  Upload Term Sheet  Other </div> </div>	<div>mm/dd/yyyy</div> <div></div>	<div></div>	<div>05/05/2021</div>
---	-----------------------------------	-------------	-----------------------

**Note:** If you select **Other**, you will be prompted to fill out another field with the Event Type.

3. Use the **Date Picker** to select the *Event Date* (or enter the date manually).
4. You can also enter specific details about the event in the *Event Note* field.
5. Click **Save**.

## 3.5 Conclude Case

After the Portal actions and submissions are complete, you can conclude the case. To conclude a case within the Portal:

1. Log in to the Neutral Portal and open the desired case.
2. From within the case, click **Case Concluded**.

3. A confirmation message appears. Click **OK**.
4. The Portal refreshes and returns to the *My Forms* page. The case user receives an email notification indicating the case has been submitted/provided clarification. The case is now concluded and no longer appears on the *My Forms* workspace.

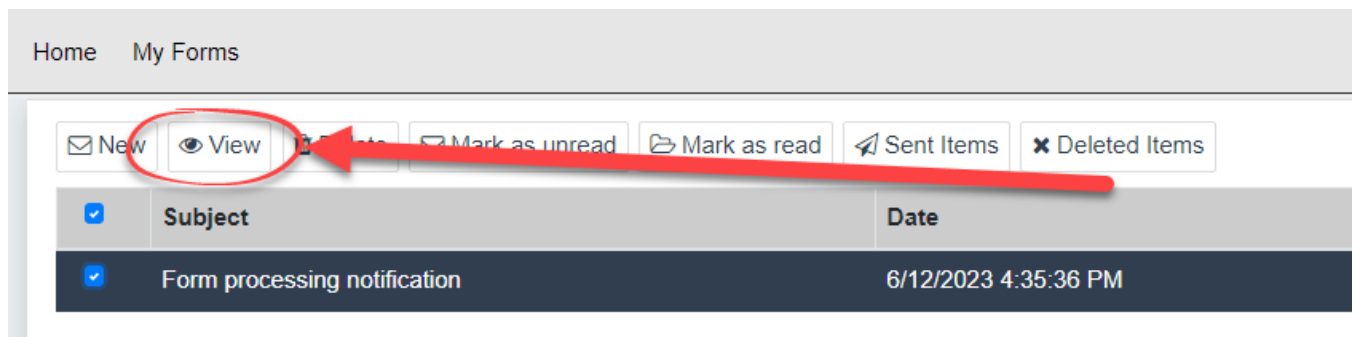

## 3.6 View Messages

To view messages associated with the case:

1. Log in to the Neutral Portal and open the desired case folder. Click **Messages**.

2. The page refreshes and displays the messaging inbox, with unread messages displayed in bold. Click the checkbox adjacent the desired message.
3. Click **View**.

The workspace updates to display the full message. Within the workspace there are options to Reply to the message, Delete the message, mark the message as unread, and return to the case workspace. See the *Inbox* section for more details on working with messages.
