Additionally, all copyrights, confidential information, patents, design rights and all other intellectual property rights of whatsoever nature contained herein are, and shall remain, the sole and exclusive property of the publisher.

Notice of Liability

The information in this publication is believed to be accurate and reliable. However, the information is distributed by the publisher (OPEXUS, LLC.) on an “As Is” basis without warranty for its use, or for any infringements of patents or other rights of third parties resulting from its use.

While every precaution has been taken in the preparation of this publication, neither the author (or authors) nor the publisher will have any liability to any person or entity with respect to any loss or damage caused or alleged to be caused, directly or indirectly, by the information contained in this publication or by the computer software and hardware products described in it.

Notice of Trademarks

The publisher’s company name, company logo, company patents, and company proprietary products are trademarks or registered trademarks of the publisher: OPEXUS, LLC. All other trademarks or registered trademarks are the property of their respective owners.

Non-Disclosure Statement

This document’s contents are confidential and proprietary to OPEXUS, LLC. This document cannot be released publicly or outside the purchasing agency without prior written permission from OPEXUS, LLC.

Images in this manual are used as examples and may contain data and versioning that may not be consistent with your version of the application or information in your environment.

Additional Notice

Information in this documentation is subject to change without notice and does not represent a commitment on the part of OPEXUS, LLC.

Notwithstanding any of the foregoing, if this document was produced as a Deliverable or other work for hire under a contract on behalf of a U.S. Government end user, the terms and conditions of that contract shall apply in the event of a conflict.

What's new in ER/LR v3.2.1?

In ER/LR version 3.2.1, we've added new configuration functionality for the Portal, allowing Portal visitors to submit a response anonymously. When this configuration is applied, users only need to complete the CAPTCHA verification before using the Portal; the login screen will not appear.

Portal Configuration	Inquiry Intake Terminology (Portal Form)
Anonymity	
Should the Anti-Harassment Employee Portal have a Login Screen?	<input checked="" type="radio"/> Yes <input type="radio"/> No

To enable anonymous Portal submissions, navigate to the *Portal Configuration* tab in the Configuration folder of ER/LR. Under the *Anonymity* section, use the radio buttons to select **Yes** if you'd like users to log in or **No** to bypass the login screen.
