Bug Fixes

We've addressed some issues identified by our customers as well as our OPEXUS team. These bug fixes are outlined in the table below:

ID	Description
23446	508 Compliance: Adjusted color contrast ratio of Reasonable Accommodation Portal title to be at least 4.5:1.
23447	508 Compliance: Added "Get Audio Code" accessibility link for an audio representation of the CAPTCHA.
23449	508 Compliance: Adjusted Validation Summary error message to present as an alert on the page rather than a popup, making the message JAWS compatible.
23450	508 Compliance: Adjusted tooltips (read by JAWS) for the Reasonable Accommodation Request select list to clarify interaction with the form controls.
23454	508 Compliance: Added asterisks to all required fields on the Employee Registration form to visually indicate which fields are mandatory.
24590	Added form validation for Form 557a – Resolution, Form 557b – Information Reporting, and Form 557c – Reconsideration to prevent users from completing the task assignment prior to the full completion of the form.
